

INTELLECTUAL PROPERTY RIGHTS
ASSISTANCE PROGRAM

IPRAP

BRIEFER

Department of Science and Technology
**TECHNOLOGY APPLICATION AND
PROMOTION INSTITUTE**

The **Intellectual Property Rights Assistance Program (IPRAP)** provides assistance in securing intellectual property (IP) protection. This includes funding support for payment of filing fees for applications for utility model registration or patent available for Filipino inventors, researchers or individuals. Other IP filings such as for utility model, industrial design, trademark, and copyright applications are also included in this program. Other entities who request and secure appropriate IP protection before the Intellectual Property Office of the Philippines (IPOPhil) can also be entertained.

COVERAGE

1. Consultancy assistance in the preparation of patent application documents and prosecution of the patent application
2. Package of assistance for patents, utility models, industrial designs, trademarkse, and copyrights

ELIGIBILITY

- Filipino citizen, duly recognized academic or research institution, or inventors organizations accredited by DOST-TAPI, provided that the applicant certifies that there has no conflict of interest with any person or entity with regard the application
- Must be of good moral character and has not been convicted of any case involving moral turpitude
